BIG LEAGUE EXPERIENCE

At The Ripken Experience®, it's all about making our ballplayers feel like Big Leaguers. During your tournament, warm-up in the 9+ batting cages before the game, and hear your name announced along with walk-up music as you head to the plate.

GREAT BASEBALL & GREAT VACATION

Elizabethtown is home away from home. Head downtown to catch a show, listen to live music, or grab a bite to eat with the family. Whether you prefer cooling down at the local waterpark or jumping around at the trampoline park, Elizabethtown has entertainment options for the entire team and family.

FAMILY FRIENDLY FACILITY

It's a baseball vacation, so we know you're traveling with friends & family. Enjoy the game under our shaded stadium seating, sing the 4th-inning stretch, or grab a teammate for a free shuttle ride to your field. Oh, and bring as many guests as you'd like, we do not charge parking or gate fees.

WE'RE ON YOUR TEAM

We understand the time and responsibility it takes to plan a tournament experience - that's why we are here every step of the way.
