THE BASEBALL VACATION OF A LIFETIME

BIG LEAGUE EXPERIENCE

At The Ripken Experience®, it's all about making our ballplayers feel like Big Leaguers. During your tournament, warm-up in the 17+ batting cages before the game, play your way through our professional replica fields, and hear your name announced along with walk-up music as you head to the plate.

GREAT BASEBALL & GREAT VACATION

Located in the entertainment filled city of Myrtle Beach, The Ripken Experience® offers non-stop family fun on and off the field. After the game, unwind at Myrtle Waves Water Park, Broadway at the Beach, Shipwreck Island Adventure Golf, or take a short ride to the nearby beach.

FAMILY FRIENDLY FACILITY

It's a baseball vacation, so we know you're traveling with friends & family. Enjoy the game under our shaded bleachers, sing the 4th-inning stretch, or grab a teammate for a free shuttle ride to your field. Oh, and bring as many guests as you'd like as we do not charge parking or gate fees.

WE'RE ON YOUR TEAM

We understand the time and responsibility it takes to plan a tournament experience - that's why we are here every step of the way. From a dedicated sales teammate from your first contact, to a team coordinator assisting with all tournament prep, to available and energetic teammates on-site, you're never left with a question unanswered at The Ripken Experience®.

A COACH'S DREAM

Not only do our ballplayers feel like Big Leaguers at The Ripken Experience®, but so do our coaches. During your experience, grab insights from your MLB tournament ambassador during a private Q & A session, show up early to your game at our coach friendly warm-up areas, and don't forget to grab your tournament gifts at check-in.
